

FAQ

Q: What is the goal of this program?

A: Our goal this year is to help motivate the members in being active in their chapters. We want to show the potential in every member and assist them in making events they WANT to show their friends.

Q: What is Ki?

A: Ki is similar to exp in a video game! as you earn more Ki the higher tier your chapter will be!

Q: Will there be a Chapter of the Year?

A: Yes. The chapter who earns the largest amount of Ki throughout this program will not only claim the grand prize, but will also be named Chapter of the Year.

Q: What are the “Traveling Dragon Balls”?

A: The “Traveling Dragon Balls” put a small twist on our traveling program. Rather than a chapter having to go after one item, each chapter has a Dragon Ball. Chapters will have to visit each other in order to gain more Dragon Balls. If a chapter collects all seven Dragon Balls, they will receive a “Wish From Shenron”. The wishes are predetermined on a wheel, and they range from an Ice Cream Party to a 7ft basketball hoop. There is one grand prize on the wheel and only one chapter can receive it. (Each chapter needs two members and one advisor in order to steal a dragon ball.)

A: These refer to the qualifications of the Master Ritualist program, which is attached.
