Hello brothers,

I am so excited to be Deputy State Master Councilor for the year! Mickey, Ethan and I just got back from DeMolay International's congress session where they discussed and voted on issues and changes people wanted to see within the order. We also got to meet DeMolays from all over the world; like Brazil, Bolivia, Paraguay, Uruguay and Romania! I hope you all get the chance to meet some of the kind brothers from throughout the states and from across the world. Remember to keep working on memorizing your ritual and have fun with it!

Good afternoon, good evening, and good night!

**Zanthis X. Hunter
Deputy State Master
Councilor
NJ Order of DeMolay**

Greetings New Jersey DeMolay,

I am your 76th State Master Councilor, Michael "Mickey" Wemmer. With convention and session over, I have finally been able to sit down and reflect on this past week. I learned a lot at session, not just about DeMolay, but also what other leaders are like. I feel like I have come home with a new perspective on brotherhood as well.

DeMolay in New Jersey is growing, and I couldn't be more excited to take on the challenge, with my team, of helping it grow even more. I am so excited to work with you all over this year and beyond, and I can't wait to see what we can all achieve this year.

If you ever need anything or have any ideas, don't hesitate to reach out, I am always here to help out any way I can. All the best,

Brother Michael "Mickey" Wemmer

76th State Master Councilor

NJ DeMolay

Greetings NJ DeMolay,

I hope everyone's summer is off to great start and that you all enjoyed your time at convention. The beginning of every term is always a great opportunity to both reflect on the past and look towards the future, and I'm excited to contribute to that future. This past year has packed a lot to learn between the amazing opportunities of the 2024 Keyman Conference and the recent 2025 DeMolay International Annual Session. These events have introduced to me countless new brothers from around the country and beyond along with new and interesting ideas for DeMolay which I'm very motivated and excited to bring back to NJ. I would encourage anyone to register for this year's Keyman Conference as its truly an event you'll never forget. I look forward to this year being one for the books and it takes effort from all of us to make that happen so let's count on each other to make New Jersey DeMolay the brotherhood we know it can be. If there is anything YOU want to see from NJ DeMolay this year feel free to let us know, see you all soon!

Honestly & Earnestly,

Ethan Kalman

State Senior Councilor of New Jersey

"Hello Everyone!"

As this new term begins, I would like to remind you all about the NJ DeMolay media drive! It has been my responsibility for the past two years as historian and now as scribe to manage and organize the media drive and I wanted to get the ball rolling on it ASAP! For those who don't know, the NJ DeMolay media archive is a Google Drive that is designed to organize all chapter and state media. That could be photos, videos, or even fliers or public minutes if you would like! As a refresher on how the drive is organized, it is first divided by chapter (state events are a separate folder) and is then divided by term, then event. If you have any access issues please let me know! Last year, I recommended that each chapter has one member act as a "historian" that would be responsible to upload their chapters photos, videos, etc. to the drive. I hope to speak with the Master Counselors of each chapter soon, or by now I already have to designate a chapter representative and set up a similar system this year, so all chapters are represented equally!

Hey NJ DeMolay!

Thank you to everyone who came to Convention, it was awesome! I had such a great time hanging out with you, meeting new brothers, and seeing how pumped everyone was for this new term.

While I was talking to you all during the weekend, I could really tell that everyone is ready to do big things. I heard some awesome ideas and saw a lot of brothers who care about their chapters and want to grow. That's what makes NJ DeMolay strong, you.

As your State Junior Councilor, I'm super excited to help make this term one of our best. We've got some fun events and new stuff planned, and I want to make sure every brother has a chance to be part of it. Whether you've been in DeMolay for years or just joined, there's always something for you to learn, lead, and enjoy.

If you ever want to help out, try something new, or just talk about what's going on in your chapter, I'm here. Let's make it a great year together!

P.S. - Don't forget about KeyMan!

KeyMan is one of the coolest DeMolay camps ever. You'll spend a week making friends, learning leadership skills, doing activities, and having a blast. It's a great way to grow as a leader and have fun at the same time.

Talk to your Chapter Advisor soon about registering; spots fill up fast, and trust me, you do not want to miss it!

**Fraternally,
Michael Blake Edmilao

A Message from the Executive (EO's Corner)

Greetings New Jersey DeMolay!

What a great convention! First, congratulations to Mickey, Zanthis, Ethan, Blake, and Jack on your elections. The mantle of leadership now rests with each of you in your respective responsibilities. I have complete confidence in each of you to lead New Jersey DeMolay to greater heights! Congratulations also to Dad Paul E. Mossberg on your retirement as Executive Officer, as well as all DeMolay's who graduated last month.

For over a century, New Jersey DeMolay has developed young men into future leaders. To all the members and advisors, past and present, and all the friends of New Jersey DeMolay, I look forward to working with you.

As I have stated previously, development is key to the success of New Jersey DeMolay. Development in our present members is of the foremost importance. Over the summer, now is a great opportunity for each of our members to work towards learning a new piece of ritual or earning their proficiency cards (if they do not have them already). For any member who has his proficiency card, I would recommend working on the Representative DeMolay Award, which is an award that Dad Land wanted every member to aspire to earn. Also, for anyone who has earned their Representative DeMolay Award, I suggest that you may want to consider applying for the Distinguished Service Award ("DSA") to be eligible for consideration as DeMolay International DeMolay of the Year next year. More information about the DSA appears in this publication and on the New Jersey DeMolay website.

Also, for individual development, let's not forget about Keyman Conference 2025! This year, the conference will be held August 3-9, 2025, at Patton Campus in Elizabethtown, Pennsylvania. As a two (2) time past attendee - at ages 14 and 18 - I cannot give enough encouragement for every member to consider attending. Besides the phenomenal chocolate milk, the skills and friendships that you will build are limitless. Registration is still open, but it will be closing soon. If you have any questions, please speak with your Chapter Advisor ASAP.

Perhaps now, too, would also be an opportunity for chapter officers or committee members to meet to plan the chapter term or great chapter event on the local chapter level. Term planning should always be done on a twelve (12) month calendar, and with the availability of the New Jersey DeMolay State Council Calendar on the state website, all chapter plans should, at this point, be finalized through June 30, 2026.

While I am thankful to all New Jersey advisors and members of the adult leadership team, I want to specifically acknowledge Dad John Cataldo for agreeing to serve as Director of Communications. As part of his duties, he will be serving as editor of the eState Review. New Jersey DeMolay has not had a consistent monthly newsletter in approximately the past decade, and it is one of my immediate goals to improve communications with all stakeholders of New Jersey DeMolay. I hope each month that you take the time and opportunity to read all the submissions and articles to learn what is going on throughout New Jersey. The deadline for submission to each state review is the 10th of each preceding month, and please feel free to submit any flyers, articles or submissions that you would like to publicize throughout New Jersey DeMolay.

Lastly, I am excited that in next month's edition, we will be publishing a summary of the 104th DeMolay International Annual Meeting as it relates to New Jersey DeMolay. This summary will include announcements for all honors and awards that New Jersey DeMolay's members received.

The road begins here, and I look forward to working with you, each day, as we develop tomorrow's leaders today!!

Fraternally,

Dad Frank M. Williams

DeMolay International Distinguished Service Award

2025-2026 Nominations are now OPEN!

The Distinguished Service Award (“DSA”) recognizes outstanding overall service by a DeMolay in various fields of life. The purpose of the DSA is to recognize a DeMolay member’s outstanding service to others in his home, school church, community, county and Chapter.

Established by DeMolay International in 1959, it is awarded to a maximum of two (2) DeMolay members per jurisdiction per year, and complete applications for consideration **MUST** be received by May 15. Of those two recipients each year, the Executive Officer will transmit one of the two winners to DeMolay International for its consideration as DeMolay International “DeMolay of the Year”. If a member is not selected as a recipient, his advisory council may re-submit his nomination for consideration the following year, with any additional materials they deem necessary in support of his application. It should be noted that this award is different from (but may, in fact, be awarded to), the same individual who receives the honor of New Jersey DeMolay of the Year, as selected by the State Master Councilor and the Jurisdictional Officers.

Since the DSA is an award, rather than an honor, the prospective recipient may participate actively in preparing his own nomination. Applications may be submitted at any time; however, recipients will only be notified of their selection at the annual banquet of New Jersey DeMolay each June. The Executive Officer, in consultation with other staff, selects the recipients from among qualified applicants, and he further may submit his own nomination if no nominations are received from any chapter during the year. It is strongly recommended that for a candidate to receive this award, he first must have received the Representative DeMolay Award and Lamp of Knowledge .

There is no standard form for applying for the DSA. Rather, the applicant, working with his local Advisory Council, assembles a package of materials demonstrating his service in various areas. The local Advisory Council generally assists in soliciting recommendations from individuals who have worked with the applicants in various areas of service. The nomination for the Award officially comes from the Advisory Council, though a member may apply for his own nomination through his Advisory Council.

The information below will help you in assembling an application for the DSA and outlines the essential information that should be included. The package of materials should reflect the personality and experience of the nominee, while showcasing his qualifications to be designated as truly distinguished in his service, both in DeMolay and beyond.

The following is a Nomination Checklist for the Advisory Council and nominee to follow in preparing a nomination for the **Distinguished Service Award**. While this checklist reflects the essential elements that must be included in the nomination, it in no way reflects a limitation on what may be included. Multiple references are welcome in each category, and additional supporting materials may be included by the nominee and the Council to round out the nomination portfolio:

Step 1: Select a Nominee

Your Chapter's Advisory Council may select an outstanding DeMolay for each six month term. Each nominee should be active in the basic areas listed below. The Advisory Council should formally act on the nomination, and include a signed certification form with the nomination.

Step 2: Gather Endorsement and Recommendation Letters

Letters explaining your nominee's activities and outstanding qualities in the following basic areas must be attached with the summary sheet. These letters should be from reputable persons of the community who know of the nominee's activities.

The nominee should provide contact information for these potential endorsers, and the Advisory Council should send letters to them, requesting that they provide a letter of recommendation to the Council for inclusion in the DSA nomination. A completed nomination should contain *at least one* endorsement in each of these areas:

Area of Activity	Recommendations from ...	Letter Should Cover
Religious Life	Minister, Priest, Rabbi, Sunday School Teacher, or other religious leader.	Attendance, youth group activities, choir, camp, or other services rendered to his faith community, and general character.
Education	Teachers, Administrators, Coaches. High School and/or college.	Grade average, ability and effort, and honors earned. All clubs, school sponsored activities participated in, and general character.
Community	Civic leaders, organization advisors	All activities which provide services to the community, jurisdiction, or state. Also service to clubs like Boy Scouts, YMCA and other civic-type organizations.
Home	Parents and/or close family and friends	Describe regular home duties, attitude, cooperation. All special services and assistance to the family, and general character.
DeMolay	Chapter Advisor or other Advisors, Deputy Executive Officer, Executive Officers' Staff	All offices held and all honors and awards. Committee service, Chapter and state-wide service and honors. This area must be covered in great detail and should only contain DeMolay information. Give years applicable.
Other	Employers, other persons who can offer insight to the candidate	Employment record and any activity which falls under service to humanity and is not covered elsewhere.
Recommendation	Advisory Council Chairman	Appropriate remarks explaining reasons for selection and recommendation only.

Step 3: Complete the Summary

A summary (see sample) of the nominee's activities for the last four years must be included with all nominations. The more complete this summary is, the better the nominee's chances for selection.

Step 4: Enclose a Photo of the Nominee

A quality "head and shoulders" photo of the nominee should be included to be used in publicity. The photo shall be e-mailed to the Executive Officer.

Step 5: Send Nomination Material to the Executive Officer

Aside from the photo, please MAIL all materials in one envelope or package. The completed portfolio should be sent to the Executive Officer for his review. All documents must be sent via mail in order to ensure that all documents are properly then transmitted to the DeMolay International Service and Leadership Center for further consideration.
